PERSISTENT ORGANIC POLLUTANTS (POPs) COMPLIANCE STATEMENT

CML Micro hereby declares that to the best of our knowledge and based on current supplier data and material safety information, the products supplied by CML Micro comply with **the Stockholm Convention on Persistent Organic Pollutants (POPs)**, including the latest amendments and updates. None of the substances listed in Annexes A, B, or C of the Stockholm Convention are intentionally added or knowingly present in our products above threshold levels.

This includes, but is not limited to:

- Polychlorinated biphenyls (PCBs)
- Hexachlorobenzene (HCB)
- DDT and related pesticides
- Perfluorooctanoic acid (PFOA) and its salts
- Short-chain chlorinated paraffins (SCCPs)

We rely on verified supplier declarations and chemical data assessments to ensure continued compliance with applicable POPs regulations globally, including EU Regulation (EU) 2019/1021 on Persistent Organic Pollutants. This assurance is supported by our commitment to ongoing review and implementation of best practices as outlined in our **Environmental Sustainability Policy**.
