Compliance with TSCA Persistent, Bioaccumulative, and Toxic (PBT) Chemicals Rule

CML Micro hereby confirms that, to the best of our knowledge and based on information provided by our suppliers, the products supplied by CML Micro **do not contain the TSCA PBT chemicals** listed under the U.S. Environmental Protection Agency (EPA) PBT rule (40 CFR Part 751) above the regulatory thresholds. These chemicals include:

- Decabromodiphenyl ether (DecaBDE)
- Phenol, isopropylated phosphate (3:1) (PIP 3:1)
- Hexachlorobutadiene (HCBD)
- Pentachlorothiophenol (PCTP)
- 2,4,6-Tris(tert-butyl)phenol (2,4,6-TTBP)

CML Micro maintains a **compliance management system** and works closely with suppliers to ensure that all materials and components supplied are consistent with TSCA PBT requirements. We commit to providing updates should new information or regulatory changes affect the compliance status of our products.

This statement is provided for informational purposes and is based on current knowledge and documentation. It does **not constitute a warranty or guarantee** regarding product safety or regulatory compliance.
